MEMORANDUM

TO:

North Central Board of Directors

FROM:

Timothy Henry, Fire Chief

DATE:

April 27, 2023

SUBJECT: Joint Exercise of Powers Agreement for FRMS Resolution No. 23-02

Attached for the Board's review and adoption is Joint Exercise of Powers Agreement for FRMS Resolution No. 23-02, which Fire Agencies Self Insurance System (FASIS) and FDAC Employment Benefits Authority (FDAC EBA) have merged the two programs, effective July 01, 2023, to provide comprehensive and cost-effective coverage programs.

With the merge, FASIS will change its name to Fire Risk Management Services (FRMS) and FDAC EBA will assign its right and liabilities to FRMS, where FRMS will adopt and an amended and restated joint exercise of powers agreement.

North Central Fire Protection District currently is a member of FDAC EBA for its health care coverage. FRMS requires North Central Fire Protection District to pass a resolution to approve the amended and restated joint exercise or powers agreement of FRMS and continue participating in and obtaining coverage and risk management services from FRMS, which requires a new three-year minimum participation period.

Recommended Action: Adopt Resolution No. 23-02 authorizing participation in and approving the amended and restated Joint Exercise of Powers Agreement of the Fire Risk Management Services (FRMS) Joint Powers Authority and authorize the Fire Chief to sign the Amended and Restated Joint Exercise of Powers Agreement that will enable North Central Fire Protection District to continue participating in the joint self-insurance and risk management programs provided by FRMS.

RESOLUTION NO. 23-02

A RESOLUTION OF THE BOARD OF DIRECTORS OF NORTH CENTRAL FIRE PROTECTION DISTRICT AUTHORIZING PARTICIPATION IN AND APPROVING THE AMENDED AND RESTATED JOINT EXERCISE OF POWERS AGREEMENT OF THE FIRE RISK MANAGEMENT SERVICES JOINT POWERS AUTHORITY

WHEREAS, the Fire Agencies Self Insurance System (FASIS) was formed in 1984 for the purpose of jointly funding losses and providing risk management services to reduce such losses by and among California fire protection and community services districts; and

WHEREAS, the FDAC Employment Benefits Authority (FDAC EBA) was formed in 2005 to establish, operate, manage, and administer health and welfare benefit programs for the benefit of the existing and retired officers, employees and members of the legislative body of the California public agencies who are members of FDAC EBA; and

WHEREAS, following the exploration and in-depth analysis of a strategic partnership, the Board of Directors of FASIS and FDAC EBA directed the merger of the two programs, effective July 1, 2023, to provide comprehensive and cost-effective coverage programs through a responsive risk pool for fire service agencies; and

WHEREAS, FASIS and FDAC EBA have agreed that FASIS will change its name to Fire Risk Management Services (FRMS) and adopt an amended and restated joint exercise of powers agreement, and that FDAC EBA will assign its rights and liabilities to FRMS and adopt the same agreement as its own; and

WHEREAS, the amended and restated agreement allows FRMS to operate the programs previously operated by both FDAC EBA and FASIS, and admit members that would have been eligible to join either FDAC EBA or FASIS in the past; and

WHEREAS, North Central Fire Protection District is currently a member of FDAC EBA, and the Board of Directors of North Central Fire Protection District finds it in the best interest of North Central Fire Protection District to continue participating in and obtaining coverage and risk management services from FRMS; and

WHEREAS, FRMS requires the North Central Fire Protection District to pass a resolution expressing the desire and commitment of North Central Fire Protection District to approve the amended and restated joint exercise of powers agreement of FRMS and continue participation in FRMS, which requires a new three-year minimum participation period.

NOW, THEREFORE, BE IT RESOLVED that the Board of Directors of North Central Fire Protection approves the Amended and Restated Joint Exercise of Powers Agreement for FRMS, as presented; and

BE IT FURTHER RESOLVED that the Board of Directors authorizes the Fire Chief to sign the Amended and Restated Joint Exercise of Powers Agreement that shall enable the North Central Fire Protection District to continue participating in the joint self-insurance and risk management programs provided by FRMS.

Comprehensive Investment Solution

HighMark® Capital Management, Inc.'s (HighMark) diversified investment portfolios are designed to balance return expectations with risk tolerance. Key features include: sophisticated asset allocation and optimization techniques, four layers of diversification (asset class, style, manager, and security), access to rigorously screened, top tier money managers, flexible investment options, and experienced investment management.

Rigorous Manager Due Diligence

Our manager review committee utilizes a rigorous screening process that searches for investment managers and styles that have not only produced above-average returns within acceptable risk parameters, but have the resources and commitment to continue to deliver these results. We have set high standards for our investment managers and funds. This is a highly specialized, time consuming approach dedicated to one goal: competitive and consistent performance.

Flexible investment Options

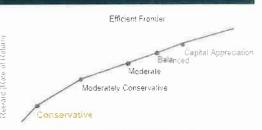

In order to meet the unique needs of our clients, we offer access to flexible implementation strategies: HighMark Plus utilizes actively managed mutual funds while Index Plus utilizes index-based securities, including exchange-traded funds. Both investment options leverage HighMark's active asset allocation approach.

Risk Management

The portfolio is constructed to control risk through four layers of diversification – asset classes (cash, fixed income, equity), investment styles (large cap, small cap, international, value, growth), managers and securities. Disciplined mutual fund selection and monitoring process helps to drive return potential

INVESTMENT OBJECTIVE

To provide a consistent level of inflation-protected income over the long-term. The major portion of the assets will be fixed income related. Equity securities are utilized to provide inflation protection.

WHY THE PARS DIVERSIFIED CAPITAL APPRECIATION PORTFOLIO?

Comprehensive Investment Solution

HighMark® Capital Management, Inc.'s (HighMark) diversified investment portfolios are designed to balance return expectations with risk tolerance. Key features include: sophisticated asset allocation and optimization techniques, four layers of diversification (asset class, style, manager, and security), access to rigorously screened, top tier money managers, flexible investment options, and experienced investment management.

Rigorous Manager Due Diligence

Our manager review committee utilizes a rigorous screening process that searches for investment managers and styles that have not only produced above-average returns within acceptable risk parameters, but have the resources and commitment to continue to deliver these results. We have set high standards for our investment managers and funds. This is a highly specialized, time consuming approach dedicated to one goal: competitive and consistent performance.

Flexible investment Options

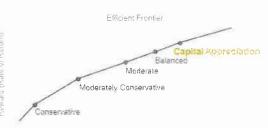

In order to meet the unique needs of our clients, we offer access to flexible implementation strategies HighMark Plus utilizes actively managed mutual funds while Index Plus utilizes index-based securities, including exchange-traded funds, Both investment options leverage HighMark's active asset allocation approach.

Risk Management

The portfolio is constructed to control risk through four layers of diversification – asset classes (cash, fixed income, equity), investment styles (large cap, small cap, international, value, growth), managers and securities. Disciplined mutual fund selection and monitoring process belos to drive return potential

INVESTMENT OBJECTIVE

To provide growth of principal. The major portion of the assets are invested in equity securities and market fluctuations are expected.
