

Information Technology Manager Job Specifications

DIVISION:	Administration
FLSA STATUS:	Non-Exempt (Non-Safety)
REPORTS TO:	Fire Chief
SUPERVISION:	Exercises no supervision
LOCATION:	Station 55 (Headquarters)
HOURS:	40-hour work week Monday through Friday. May be assigned to work on-call, weekends, or holiday for after hour support as the need arises.

GENERAL SUMMARY

Under limited direction, installs, configures, monitors and maintains the District data networking; analyzes and modifies overall network operations to ensure the highest level of uptime, integrity, and security; maintains the Districts phone system, emails, website, microwave radio system, and VHF radio system, provides services to identify needs and requirements for computer-based systems; provides related technical support including training and other related work as required.

DISTINGUISHING CHARACTERISTICS

The Information Technology Manager (ITM) must be courteous, punctual, and maintain a relationship with outside agencies and vendors in a professional manner. The ITM must be a self-starter, possess good communication skills, and have excellent analytical skills. The ITM monitors and controls the data network, identifies and resolves operating system issues, provides technical support, provides network design recommendations, and analyzes overall network performance and security. The ITM is expected to have knowledge of district operations, structure, goals, and objectives. This position should be able to do a task with a minimum amount of instructions and demonstrate the ability to work for extended periods of time without direct supervision. The ITM coordinates large project and program development and oversight.
